

**SEMINOLE
FEED®**

Seminole Feed® Equalizer

Seminole Equalizer™ is a competition-safe, concentrated form of the essential amino acids Lysine, Threonine, and Methionine, along with vitamins and bioavailable trace minerals for growing, pleasure, and elite performance horses. Ideal for any age, life stage, or sport, Seminole Equalizer™ can be fed alone, top-dressed to the horse's current diet, or used to fortify beet pulp or cereal grains like oats, corn, or barley. Formulated with balanced amino acids, added antioxidants to prevent free-radical damage, and yeast culture for improved fiber digestibility. Seminole Equalizer™ is also grain-free to ensure low starch and sugar levels. The low feeding rate makes Seminole Equalizer™ an economical way to enhance your horse's nutrition and provide the "Ingredients of a Winner."

Fixed Formula -

Guarantees you consistent formulas, ingredients & quality products bag after bag

Grain Free -

Ensures low starch and sugar

Vitamin & Mineral Fortified -

Meets NRC recommended levels of vitamins & minerals when fed as directed

Antioxidants -

Zinc, Manganese, Copper and Selenium yeast coupled with Vitamin E function to protect cells against the effects of free radicals

Low NSC -

Reduced concentrations of cereal grains, to enable feeding of horses with carbohydrate sensitivities

Chelates -

Increase bioavailability of minerals to support metabolic functions

High Digestible Proteins -

Supplying essential amino acids, including Lysine, Methionine & Threonine, from alfalfa and soybean meal

High Digestible Fiber -

Calories sourced from high digestible fibers such as alfalfa

Guaranteed Analysis

Crude Protein (min) _____	32.0%	Potassium (min) _____	0.60%

Ingredients

Dehulled Soybean Meal, Wheat Middlings, Dehydrated Alfalfa Meal, Soybean Oil, Rice Bran Oil, Salt, Yeast Culture, Monocalcium Phosphate, Dicalcium Phosphate, Calcium Carbonate, L-Lysine, DL-Methionine, L-Threonine, Biotin, Heat Stabilized Rice Bran, Ground Flax Seed, Copper Sulfate, Zinc Oxide, Ferrous Sulfate, Manganese Sulfate, Copper Proteinates, Manganese Proteinates, Zinc Proteinates, Cobalt Proteinates, Magnesium Oxide, Calcium Iodate, Cobalt Carbonate, Selenium Yeast, Brewers Dried Yeast, Hydrated Sodium Calcium Aluminosilicate, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Folic Acid, Choline Chloride, Niacin, Riboflavin Supplement, Calcium Pantothenate, Pyridoxine Hydrochloride, Thiamin Mononitrate, Vitamin B12 Supplement

Feeding Directions for Seminole Equalizer™ For Growing, Pleasure, & Elite Performance Horses

Recommended values based on mature body weight and activity level. Always feed by weight not volume.

Expected Mature Body Weight (lbs.)		250	500	1000	1250	1500
Recommended Daily Forage (1.5 - 2% BW)		Recommended Daily Forage in Pounds to be Fed per Day				
		3.75 - 5	7.5 - 10	15 - 20	18.75 - 25	22.5 - 30
		Seminole Equalizer™ Recommended in Pounds to be Fed per Day				
Idle, Mature Horses	Mature Maintenance	0.25	0.50	1.00	1.25	1.50
	Overweight (for weight loss)*	0.25	0.50	1.00	1.25	1.50
Workload Performance	Light	0.25	0.50	1.00	1.25	1.50
	Moderate	0.25	0.50	1.00	1.25	1.50
	Intense	0.50	0.75	1.50	2.00	2.25
Broodmares	Pregnant	0.25	0.50	1.00	1.25	1.50
	Lactation	0.50	1.00	2.00	2.50	3.00
Growing Horses	3 Months	0.40	0.65	1.25	1.75	2.00
	4 Months	0.50	0.75	1.50	2.00	2.25
	5 Months	0.50	1.00	1.75	2.25	2.75
	6 Months	0.50	1.00	2.00	2.50	3.00
	12 Months	0.50	1.00	1.75	2.00	2.50
	18 Months	0.50	1.00	1.75	2.00	2.50
	24 Months	0.45	1.00	1.75	2.25	2.50
	18 - 24 Months in Training	0.50 - 0.45	1.00	1.75	2.00 - 2.25	2.50
Stallions	Breeding	0.50	0.75	1.50	2.00	2.25
	Non-Breeding	0.25	0.50	1.00	1.25	1.50

*Feed Seminole Equalizer™ along with 1.5-2.0% body weight in good quality hay (or pasture equivalent).

The feeding rate for Seminole Equalizer™ may differ from above, if also feeding another Seminole product. Please contact our Nutrition line for more information. If you are not feeding within the recommended feeding range on any Seminole product, include a mineral supplement such as Seminole Equalizer™.

Mixing Directions to Make a Concentrate Feed Using Seminole Equalizer™

Ingredient	12% Protein Mix	14% Protein Mix	16% Protein Mix
Seminole Equalizer™	1 Lb.	2.25 Lbs.	3.75 Lbs.
Oats, Corn, Barley, Beet Pulp or Similar*	10 Lbs.	10 Lbs.	10 Lbs.
Total Ration Volume	11 Lbs.	12.25 Lbs.	13.75 Lbs.

*Assumes an average of 10% crude protein.

Notice - For the purposes of elite competition, this feed is recognized as free from restricted and prohibited ingredients when fed as directed.

This product is perishable. Store this product in a dry, well ventilated area protected from animals and insects. Do not feed this product if it is moldy, spoiled, infested or contaminated as it may cause illness or death to your animals. This product is for consumption by horses only. No liability will be accepted for direct, incidental or consequential damages resulting from any use inconsistent with the feeding instructions, including but not limited to use for other species. Always feed by weight not volume. When feeding by volume, periodically weigh the feed to verify your horse is receiving the proper amount.

Seminole Quality Guarantee - Seminole Feed® strives to provide a world class product for your equine partner, adhering to strict quality control and safe-feed production standards. At Seminole Feed®, we manufacture equine feeds in an ionophore-free mill, to ensure the nutritional health of your horse. If you're not satisfied, we're not satisfied. Should the quality of this product not meet your expectations, return it within 30 days with proof of purchase to your Authorized Seminole Feed® Dealer for a complete refund or replacement.
